Privacy: Privacy Informative according to Art. 13, D. LGS. 30.6.2003, (D. lgs. 30.6.2003, n. 196) of the Italian Law on Privacy (Privacy Code regarding the protection of personal information). The "Privacy Code regarding the protection of personal information" (D. lgs. 30.6.2003, n. 196) as described in art. 13 obligates entities to inform interested parties of the fundamental elements of the matter, specified in §1, let. a/f. The authoring entity fulfils this obligation in full, informing interested clients that: A)

All data is gathered for the following finalities:

- \* execution of obligations deriving from a contract to which the interested client is party prior to the execution of the contract, according to the specific requests of the client;
- \* fulfilment of legal, regulatory, and common normative obligations;
- \* management of clientele (administration of clients and contracts, orders, invoices, and internal organization);
- \* management of legal matters (unfulfilled contractual, notices, transactions, credit, arbitrations, and judicial matters).

In relation to the aforementioned finalities, all personal data will be organized using paper files and information equipment in a manner which guarantees security and confidentiality of the data, in full observation of the law.

The present informative yields to data:

- \* collections referring directly to the interested party (art. 13, §1);
- \* found in public registers, phonebooks, known proceedings or documents (art. 12, §1, let. C) within the limits and methods stabilized by relative norms; B)The conferring of data is essential to the efficacious fulfilment of the assumed contractual obligations;
- C) The client's refusal to submit data negates the agencies ability to adequately provide service.D) The aforementioned data can be communicated to the following subject categories: post offices or other correspondence agencies; banks and credit institutions; collections agencies; legal office; insurance enterprises; information equipment maintenance and repair agencies; professional offices and/or companies and/or associations and contractors that provide specific accountable or fiscal services to the authoring agency. Data will not be circulated. E)For obtainment of updates, rectification or integration of the data or its subsequent annulment/cancellation for violation of the law or ceased conservation necessity; opposing dealings for legitimate reasons or sending advertising; direct sale, market research or commercial materials; E)The proprietor of the current matter is Colosseum Tours SrL, with head offices in Camucia di Cortona, Arezzo, Via Lauretana 9, and in representation of elected officials there residing.
